

BUNNAMAGOO

ESTATE

WINERY RATING ★★★★★

JAMES HALLIDAY, 2008 AUSTRALIAN WINE COMPANION

2005 CABERNET SAUVIGNON

This wine was made from grapes from Bunnamagoo's high altitude vineyard near Rockley in the Central Ranges of NSW. The season was typical for this cool climate area with a long ripening period extending well into May. The wine was matured in selected old and new French and American oak barriques and hogsheads for 12 months. The nose is a deeply scented bouquet redolent of blackberry, blackcurrant and chocolate with hints of mint and dusty cedar. The palate is dynamically textured with a lovely sweet fruit entry and fine pippy tannins that will soften with age. The finish is long and satisfying.
