

BUNNAMAGOO

ESTATE

WINERY RATING ★★★★★

JAMES HALLIDAY, 2008 AUSTRALIAN WINE COMPANION

2006 SEMILLON

This semillon was made from fruit grown at Paspaley's Eurunderee vineyard near Mudgee NSW. The dry conditions of the 2006 season resulted in excellent fruit. The wine was barrel fermented on lees for twelve months in a combination of new, one year old and old french oak. The nose shows ripe tropical characters underpinned by citrus and herbal notes. The palate is fresh and lively displaying upfront stonefruit and lemon characters with creamy mid-palate nuttiness and a long finish.
