2007

CABERNET SAUVIGNON SHIRAZ MERLOT

This delicious blend was designed to identify and bring out the strengths of each variety so that the result is superior to the sum of its parts. The individual varieties were fermented and matured separately in a mixture of French and American oak barriques for 12 months. The nose shows red and black tree fruits with hints of earthy spice and cedar. The palate is supple with a mix of savoury, cranberry and plum flavours finishing with fine tannins.
