

BUNNAMAGOO

ESTATE

WINERY RATING ★★★★★

JAMES HALLIDAY, 2008 AUSTRALIAN WINE COMPANION

2007 CHARDONNAY

The 2007 Bunnamagoo Chardonnay exhibits the characteristic Bunnamagoo style with a nose redolent of tropical and citrus fruits with hints of peach and cashew. The palate is medium-bodied with fresh white stonefruit characters, a supple and creamy mid-palate with elegant acidity followed by fine toast and French oak nuances. Bunnamagoo's winemaker, Robert Black, introduced indigenous wild strains of yeast into a portion of the wine which was then blended with traditional barrel-fermented components for added complexity.
