

# BUNNAMAGOO

## ESTATE

WINERY RATING ★★★★★

JAMES HALLIDAY, 2008 AUSTRALIAN WINE COMPANION

### 2007 MERLOT

The 2007 Bunnamagoo Merlot was made from fruit grown in Paspaley's Eurunderee vineyard near Mudgee, NSW. Bunnamagoo's winemaker, Robert Black, blended different Merlot clones to highlight the best characteristics of each. The nose exhibits lifted blackberry pastilles with floral notes and hints of lavender and black tea. The palate is complex with a sweet fruit entry and a soft but rich mid-palate redolent of red tree fruits and silky plums finishing with fine tannins. The wine was matured for 12 months in new French Oak barriques and a mixture of older French and American Oak.
