WINERY RATING ★★★★★

JAMES HALLIDAY, 2008 AUSTRALIAN WINE COMPANION

2008

SAUVIGNON BLANC SEMILLON

The 2008 Bunnamagoo Sauvignon Blanc Semillon exhibits the characteristic synergy between the two varieties with a nose redolent of delicate grass and herbs with underlying tropical notes. The palate is dry and clean and finishes with crisp acidity. Bunnamagoo's winemaker, Robert Black, fermented each component separately at cool temperatures using aromatic yeasts and then carefully formed the blend to create a balanced stylish wine.
